

## GO BEYOND YOUR LIMITS

RUNNING

Take on new challenges and reach the finish line with our three-wheeled racing wheelchair, the Joëlette Finisher.

ROADS

Put your team together and share the highlights of a race, thanks to its stability and manoeuvrability.

EASY ASSEMBLY

The Joëlette Finisher is also the ideal companion for your rides on roads or cycle paths. The two sizes (42 or 48) can be adapted to your body shape.

## OUR VALUES

### OUR KNOW-HOW

Rich in our know-how, we are continually developing the range to best meet your needs.

### MADE IN FRANCE

All our products are manufactured in our workshop, in France, at Roche-la-Molière.

### INNOVATION

We have our own design office, which constantly develops and evolves our products to enable you to go further and further in your adventure.

### INCLUSION, SOLIDARITY AND SHARING

Our aim is to give everyone access to nature sports, while promoting social links, sharing and solidarity.

### SOLD IN MANY COUNTRIES

Our products are sold in many countries around the world: France, Italy, Spain, Chile, Norway, Sweden, Belgium, United States...

## SPORT AND NATURE FOR ALL

### HIKING / RUNNING

Going out on the trails in the middle of nature, observing the landscapes... So many things accessible to people with a disability, thanks to the Joëlette.

This all-terrain wheelchair with a single wheel allows you to hike or go on a trail with the help of at least two guides.

Thanks to our Research and Development department, we have improved the handlebars to ensure a better grip. The fatbike wheel and the new shock absorber of the latest-generation reduce vibrations to enjoy your outings.

## KIDS GO ON AN ADVENTURE

Take your kid for a walk with our all-terrain stroller for children under 30 kg.

Very comfortable and safe, the Joëlette Kid is very easy to handle.

It can be driven by a single person. With its single-track wheel technology, it can be used anywhere, even on rough roads.

eMOTION

## THE ADVENTURE WITHOUT EFFORT

Access rough or steep paths with the electric assistance of the Joëlette eMotion.

When you feel the need, use the accelerator to activate the assistance at the chosen power, thanks to a control screen. Equipped with a latest-generation motor and two batteries with a long capacity, the Joëlette eMotion will facilitate your long excursions.

LOW SPACE REQUIREMENT

## LET'S GO FOR A NEW ADVENTURE

With friends or family, share unique moments with the Joëlette Adventure, from a simple walk to a sporting challenge.

Easily foldable, it can be stored in the boot of a car. For a walk close to home or an adventure at the other side of the world, its weight and small size make it easy to move around.
